

**The Premier Use of Force  
Training Course in the U.S.**

**Six Instructor  
Training Courses....**

# **Police Master Use of Force©**

## **Instructor Certification Course**

**Course Location:** Penn Twp Police Department  
Hanover, Pennsylvania

**Course Dates:** JULY 13-17 & 20-24, 2009 0800-1600 hrs

**Course Profile:** These programs are the most recognized use of force certifications in the United States for 23 years. This complete two week, 80 hour intensive and extensive Use of Force training program covers all aspects of non-lethal & less lethal use of force techniques & tactics by today's police officer/MP. This updated and highly acclaimed program has been developed within Federal lawful parameters of use of force by police officers/M.P. Escalation & de-escalation of force is based on the court defended "Ladder of Force Continuum" which has continually protected departments from costly liability and workman compensation issues resulting from inadequate training. **Note: individual certifications per day(s) may be taken separately.** All programs awarded five (5) year "backed in court" certification with unprecedented instructor/department support.

### **Training Agenda Addresses the Following Topics:**

- **Day 1-2-3- Control & Restraint Techniques – Instructor Certification**, understanding the four types of anger, key verbal de-escalation techniques, body space parameters, understanding body mechanics, joint locations, body engine theory, dynamics of control & restraint. Hands-on easy-to-learn & retain control & restrain tech's for prisoner/detainee handling, use of various types of restraints for movement/transport of prisoners, EDP's, juveniles, elderly persons and persons sprayed with OC or use of the Taser..
- **Day 4 – "Updated" OC Aerosol Spray Weapons – Instructor Certification**, this non-manufacturer specific training addresses all spray patterns, formulations, manufacturers products, latest spray units available including 40 foot range, 5 lb riot canisters & grenades. Latest up-to-date decontamination methods, decon- product availability, medical aspects and national OC issues with training considerations. Considered the leading OC course in the United States today.
- **Day 5 – "Complete" Expandable Police Baton – Instructor Certification**, covering any manufacturers expandable baton. This court proven program addresses lawful and judicious use & applications of the expandable baton. Realistic striking techniques in the closed & expanded position, blocking techniques and use of force parameters are extensively covered.
- **Day 6-7 – Less Lethal Weapons Specialist – Instructor Certification**, covering flexible bean bags & non-flexible rubber rounds, flashbang rounds for the 12GA & 37/40mm. Regarded as the most-up-to-date program in the nation today.
- **Day 8-9-10 – Edged Weapons Awareness & Spontaneous Response Instructor & Street Combatives Instructor**, the most realistic and proven training system in the world today. Developed in England, this system has been documented to have saved more than 600 officers lives to date. Since 9/11 personal possession of knives has increased 250%! Do not miss this life saving, survival training program!

**These programs have been recognized by the U.S.  
Department of Justice for more than 25 years.**

**Certification & Instructor:** All of the **TJA Use of Force Training, Inc.** programs are fully certified and recognized throughout the United States for 23 years.
